**Explanation of Local Expenditures:** *Summary:* The bill would have an indeterminable impact on local expenditures. The impact would depend on the amount of replacement body armor needed as of the effective date of the bill, the amount of which is unknown. The impact to local expenditures would also be affected by the availability of matching federal grants for body armor.

**Background:** Federal Bulletproof Vest Partnership (BVP) Program- Local law enforcement agencies may apply to the federal government's BVP Program. During FY 2008, 108 local law enforcement jurisdictions were awarded approximately \$431,015 to purchase a *requested* 2,032 vests. Whether the funding was sufficient for the requested vest total is unknown.

The BVP Program is a 50% matching fund for qualified vest purchases. In order to receive funds, local departments must complete an application and meet several standards, including the safety level of the vests purchased according to NIJ Standard 0101.04.

Vest Cost- One supplier of body armor carries complete vests that range in cost from \$490 to \$840 per unit.

Estimated Number of Local Law Enforcement Officers- As of May 2007, there were an estimated 10,710 to 10,760 local police and sheriff patrol officers on duty and 242 law enforcement jurisdictions in Indiana.
